February 2, 2009

To: Transitional Assistance Office Staff

From:  John Augeri, Assistant Commissioner for Field Operations

Re: TAFDC and EAEDC – Nurse Practitioner Added to the Definition of Competent Medical Authorities

Background

Chapter 305 of the Acts of 2008 added a new chapter 176R to the General Laws entitled “Consumer Choice of Nurse Practitioner Services.” Under this law, patients may choose to be diagnosed or treated by a nurse practitioner. This must be recognized by insurance carriers, including MassHealth.

State Letter 1345 (effective February 6, 2009) adds nurse practitioner to the definition of a competent medical authority.

Purpose of Memo

This Field Operations Memo informs TAO staff that effective February 6, 2009 any form requiring the signature of a competent medical authority can be completed and signed by a nurse practitioner and will be an acceptable proof of a disability, provided the disability described on the form meets the requirements for EAEDC or TAFDC.
