**Re: TAFDC: Transportation Payments for Employed Clients  
Procedural Change**

---

**Overview**

Prior to the BEACON Release 47.6 deployment on 8/31/2015, transportation reimbursement payments for employed clients could only be requested and paid on the Related Benefit page.

With the deployment, transportation payments for employed clients are requested and approved on the Transportation Request page in the ESP services workflow.

---

**Updated Online  
Guide Page**

Effective September 4, 2015, the procedures on the Online Guide Transportation Approval page for requesting and paying transportation payments for employed clients on the Related Benefit page were removed.

The following Online Guide page has been updated to reflect this change:

**Topic:** TAFDC  
**Book:** Services  
**Chapter:** Transportation  
**Page:** Transportation Approval
