Re: SNAP: Summer 2023 P-EBT Benefits

Overview

The Department received approval to continue to provide P-EBT for families through summer 2023. This is the last issuance of summer P-EBT benefits as the federal public health emergency ended on May 11, 2023.

To be eligible for Summer P-EBT benefits, children must be eligible to receive free or reduced-price school meals through the National School Lunch Program. Summer P-EBT benefits will be issued to DTA households and Non-DTA households.

The Summer P-EBT benefit is \$120 per child. The full payment of \$120 is slated to be issued on July 25, 2023. Children that become eligible after the July 25 issuance will be processed as a late file and will be issued their Summer P-EBT benefits of \$120 in September.

Purpose

The purpose of this Online Guide Transmittal is to advise staff of eligibility and issuance of Summer P-EBT for SY 2022-2023.
