

**While your partner serves our country,
let SNAP serve you.**

You might be eligible for **SNAP** benefits!

If you are having trouble affording groceries, the Supplemental Nutrition Assistance Program (SNAP) can help. SNAP is a monthly supplement that can stretch your budget, allowing you to buy the food you need to keep your family healthy and strong. You're sacrificing at home while your partner serves, and SNAP is here to support you.

To apply for SNAP or for more information:
