

# TAFDC Children's Clothing Allowance

## Fall 2019 Update

**The TAFDC (welfare) clothing allowance this fall is \$350 per child.**

- The Department of Transitional Assistance (DTA) will deposit \$350 on or close to August 30 for every child receiving TAFDC on August 30.

**You can apply for TAFDC in September and get the clothing allowance plus a regular grant.**

- TAFDC eligibility limits go up for the month of September so you may qualify in September even if you were not eligible before.
- Working families who get TAFDC are eligible for a child care subsidy even if they do not stay on TAFDC.

**6,000 children who were barred before because of the family cap are now eligible for the clothing allowance!**
