

**Operations Bulletin 2015-11: Forms Simplification Project (Issued 9/22/2015)**

In an effort to comply with Commissioner McCue's request to review Department forms and simplify if necessary, the workgroup has revised three additional forms. The English Versions of the *Verification of Immunization Status* (TAFDC-2), *Foster Care Verification Form* (FCP-Record) and the *EAEDC Family Disability Exemption Denial Notice* (EAEDC -10) are now in production and can be accessed from the Online Forms folder in Policy Online. They will also be available in WebCRD. The Spanish versions will be available shortly.

Please destroy existing supplies of these forms.
