Overview

The [Camp Harbor View Guaranteed Income Program](#) has been added to the Universal Basic Income / Guaranteed Minimum Income Pilots.

In partnership with UpTogether, Camp Harbor View (CHV) launched a two-year guaranteed income pilot in 2021. Fifty families from the CHV community received an unconditional \$583 per month.

A second cohort is set to begin in early 2024. CHV anticipates enrolling up to 50 Boston-based low to moderate income families in the 2024 Camp Harbor View Guaranteed Income Program. Each participating family will receive \$650 per month in unrestricted, unconditional direct cash for a total of 28 months.

The income received from Camp Harbor View Guaranteed Income Program is non-countable for all DTA programs.

Purpose

The purpose of this Online Guide Transmittal is to advise staff that the Camp Harbor View Guaranteed Income Program has been added to the UBI/GMI pilot and is non-countable for all DTA programs.
